GIVING TO THE LOVE LIGHT TREE

JOIN TOGETHER & CELEBRATE

The Partners of Osceola Medical Center proudly begin this Christmas season with what has become an annual heartwarming tradition for many area families. The “Love Light Tree” event allows the community to remember or honor family members and friends with a Love Light.

The 2021 Lighting Event will be held on Sunday, December 5. In lieu of the traditional ceremony and program, we invite you to park in the OMC parking lot to view the lighting of the trees honoring loved ones.

HISTORY

The Partners began in 1984 as OMC’s auxiliary when a small group of people came together to create an innovative infant car seat program for new babies leaving the hospital. Since then, the group has grown to more than 50 members and has been instrumental in helping maintain quality care for OMC’s patients through fund raising for programming and equipment needs.
